# PA VFW AUXILIARY EVENTS APP IS HERE!!

We have created an Events App to be used during our Department Events. We will download the Department Convention Agenda and any messages or updates needed will go through the app. Once you download the YAPP App, you can use the QR Code below as a short-cut to upload the VFWAUXPA specific App (which is the YAPP ID for the Auxiliary). Upload it and check it out!!

If you can't use the QR Code, then start by downloading the App--Go to your Play Store/App Store and find the **YAPP App** and Install/Add the YAPP App to your phone. Click "**Add Existing YAPP**." Next, it will ask for the **YAPP ID**. You will enter **VFWAUXPA**. Mary Jean's picture will appear, click on her picture. The Welcome Message will appear and along the bottom will be: Welcome, Announcements, Schedule, People and More. **Click on People** and set up your user profile. Under **More,** you will find several sections. The first, Social Feed allows you to add comments and comment on or like other people's posts. Under Crown Pics, you can post messages or photos for everyone to see. Our Department Historian will post pictures in the Gallery section. Now explore and **enjoy the PA VFW AUXILIARY EVENTS APP.**
