

WHO You Are Helping

Military families. The National Home's community is open to families of actively serving military personnel and drilling National Guard and Reserve service members. The family can be one or both parents with one or more children.

Veteran Families. A veteran and his or her family during difficult times.

VFW Descendants. Because future generations are still affected – descendants of members of the VFW and its Auxiliary.

And especially the children. Whether they are struggling with a family emergency or worried about a deployed parent, children bear more than their fair share of the burdens of our national defense. Your support helps give them a safe and loving environment in which to learn, live and grow.

WHERE Is The National Home?

"Small town America" is one way to describe our neighborhood of 42 homes and many support buildings in Eaton Rapids, Michigan. Since its founding, the National Home has grown from an old frame farm house into a sprawling campus with playgrounds, park areas, single-family homes, a community center and gymnasium, early education center, guest lodge, chapel and administrative offices.

HOW Your Funds Will Be Used

Your donation makes an immediate impact for deserving military and veteran families, providing them with free housing for up to four years and professional case managers to help them find a new path forward. It supports programs that help families develop a healthy work/life balance, enhance their job skills, set goals for the future and make a strong transition to self-sufficiency.

Meanwhile, your support gives their children the chance to lead a happy, normal childhood, receive educational support, learn life skills and make lifelong friends.

Your donations truly make a huge impact for families who are working to rebuild their lives.
