

Youth Activities/Marsha Fuhrman

Hello my fellow Auxiliary sisters and brothers. It is hard to believe that the start of school is just around the corner, so now is the time to start planning activities for the youth in your area.

This is a great opportunity to be handing out the RAP (Random Acts of Patriotism) cards to students that you see showing patriotism to our Veterans and our Flag. What a great way to show the youth that we are watching and proud of what we see them doing. You can download the RAP cards at vfwauxiliary.org/Resources/R.A.Pcards

It is always a success when you can go to the elementary schools and speak to the students on flag etiquette and history. When you go, give each student a flag and a poppy.

There are many opportunities to get involved with the youth in your community. Make contact with the various youth in your community—church youth groups, 4-H clubs and Scout troops to name a few. See if you can get them to take part in some of your activities—i.e Wreath Across America.

Let's get our youth involved and demonstrate that "Every Day is Veterans Day" in PA as we honor our veterans.
